Elemental Villas demonstrates how a perfect combination of hi-tech style, European architecture and quality can be implemented on the tropical island, Phuket As the villa is located on the small hill just 50 meters from the shore line, you can enjoy a fantastic breathtaking view of the Chalong Bay. Building has an extended structure (20m high) with the total of 5 floors including basement. This undoubtefully classy villa with the total area of 600 sq.m. has even an elevator for our guests convenience and is equipped with a state of the art technologies. The developers of the project designed the villa for you to feel comfortable and to enjoy every moment of being here. So, the dimmers in the living room and bedrooms will help you to settle the brightness of the light. You can also control curtains using a remote controller, as we have set up an automatic cornices on the windows. In every bedroom we have 48 UHD TV s and Wi-Fi routers. The internet speed is up 50mbit/sec. In the living room you will enjoy watching movies on the biggest available in Thailand home theartre system-curved 78 SUHD TV. Bose music system guarantees perfect acoustic sound. For our guests we also have PlayStation 4 with a range of popular games, table games and electric guitar. Closer to the sunset we recommend to move to the upper floor - to Sky Terrace, where you can lie in the sun relaxing in the infinity swimming pool and enjoy magnificent sea view. You definitely should have a BBQ there, as on the 5th floor we have a small kitchenette and a professional BBQ station, all the necessary kitchenware and different types of seasonings. In the evening you can enjoy steam sauna on the basement floor.
